WHO IS URBAN DOVE?

ENERGIZE. EDUCATE. EMPOWER.

Now in its **twentieth** year, Urban Dove operates two unique transfer high schools – in Bedford-Stuyvesant and the South Bronx – where hundreds of NYC's most at-risk youth receive a second chance to restart their education.

400 students attend Urban Dove now, and we are growing to serve more than 1,500 students in NYC in the next 5 years!

UD students are graduating high school and enrolling in college at double the rate of other similar schools!

This academic year, over 100 UD students will go on a college tour, most of them for the first time in their lives!

UD will provide over 150 students with a job this year, including full-time summer employment – for many it is their first paid job!

You will get the chance to meet and speak with some of these amazing young people at the 2019 Evening with the Dove event.

URBAN DOVE'S ANNUAL GALA

The **17th Annual Evening with the Dove** is Urban Dove's largest annual fundraising gala honoring individuals for their outstanding commitment to young people.

This special night celebrates and spotlights the outstanding work of our young people and the success they have achieved in our programs and schools. We feature hors d'oeuvres, cocktails, a seated dinner, an awards ceremony, and a silent and live auction.

We invite UD Team students to help us with the event so don't be surprised when you interact with the very kids we are helping as well as see a small performance by them during dinner!
